# Installing Zoom—PC

This guide will show you how to install the Zoom application, verify and test your microphone and camera, as well as access your Zoom meeting.

**1. Open a web browser (Chrome, Safari, Internet Explorer, Firefox), and navigate to www.zoom.us**

**2. Click "SUPPORT" on the top-right of the page.**

**3. Click "Getting Started "**

**4. Click 'Getting Started on Windows and Mac'.**

**5. Click on 'Zoom desktop client (Windows or Mac)'.**

**6. Click on the installer once the download has completed.**

This may look different depending on your browser.

**7. Click Run to install Zoom.**

**8. Once the installation is completed, the Zoom window will appear.**
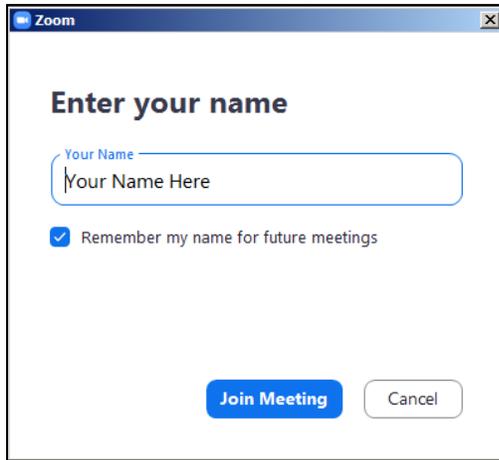

# Testing Zoom—PC

**1. If your Zoom application is not open, click on the 'Start' menu, then click 'Start Zoom'. If not listed under the recently used applications, you may need to look under All Programs**
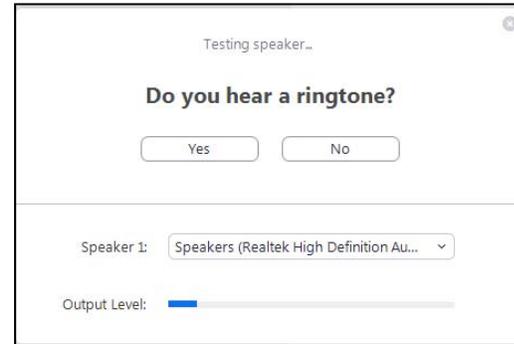

**2. Using your web browser, navigate to 'www.zoom.us/test'. Click 'Join' to join the test meeting. You may be prompted to open the URL using the Zoom Launcher, Click 'Open' to continue.**

**3. Zoom will open. Enter your name for the test Meeting.**

**4. A tone will be played through your speakers, if you can hear it then click 'Yes'.**

**Note:** If you do not hear any sound, verify that your speakers are plugged in/turned on, and the volume is loud enough.
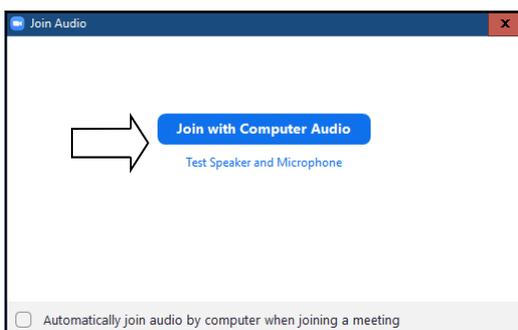

**5. Follow the onscreen prompts to verify your microphone or audio input device is working. If you hear your voice, click 'Yes'. Then click 'Join with Computer Audio."**
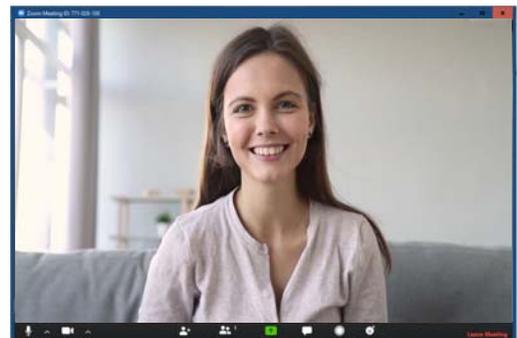

**Note:** If you are unable to hear verify that your microphone is plugged in and turned on.

**6. The tests are now complete, click "Join with Computer Audio" to join the test meeting.**

**Note:** If you are unable see the video feed from your web cam, ensure that it is plugged in and powered on. Some webcams have a privacy cover that may need to be opened in order to display video.

# Joining a Meeting—PC

You will not need to sign in to zoom. At the time of your appointment Feather River Tribal Health will provide you with a 9 digit Meeting ID number and a password. This will allow you to access your unique session and will be outlined in the following steps. Please be ready to connect 15 minutes prior to your scheduled appointment.
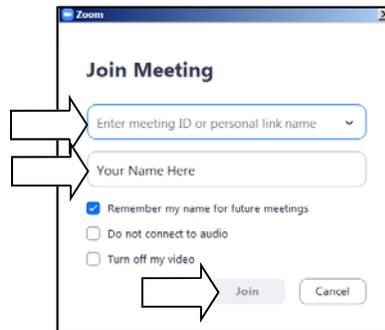

**1. Start by Navigating to the Start Zoom application, located in the Start Menu.**

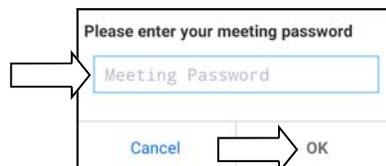

**2. Next click on the 'Join a Meeting'.**

**3. Enter your meeting ID and your name. Then click 'Join'.**

**4. Enter your 'Meeting Password' and click 'OK'.**

You have now joined your meeting. The provider will be visible in the space below.
